

The diagram illustrates the flow of a marking process for two different levels: Mark and Moderate.

**Mark Flow:**

- Starts with a red **Mark** button.
- Leads to a red **section** card containing a red **Q** icon, a red **number** field, and a red **mark awarded** field.
- Leads to another red **section** card with the same fields.
- Leads to a red **Mark** button with a checkmark icon.
- Leads to a large red box labeled **Exams Office Use Only**.
- Leads to a QR code.

**Moderate Flow:**

- Starts with a green **Moderate** button.
- Leads to a green **section** card containing a green **Q** icon, a green **number** field, and a green **mark awarded** field.
- Leads to another green **section** card with the same fields.
- Leads to a green **Comment/query?** box.
- Leads to a green **Query / Issue** button with a warning icon.

A **Sub-total** box is shown on the left, and a QR code is at the bottom.
