The diagram illustrates the Marking Process flowchart, which is divided into two main sections: Marking and Moderation.

Marking Process:

- The process starts with a **Sub-total** column on the left, consisting of 15 empty boxes.
- The **Mark** section begins with a **Mark** button (a red box with a white 'x' and a sad face icon).
- Below this, there are five rows, each containing a **Q number** and a **mark awarded** field. The rows are numbered 1 to 5, with marks awarded of 10, 20, 30, 40, and 50 respectively.
- After the rows, there is a **Mark** button (a red box with a white checkmark and an 'x' icon).
- Below this, there is a large red box labeled **Exams Office Use Only**.
- At the bottom of the Marking section is a QR code.

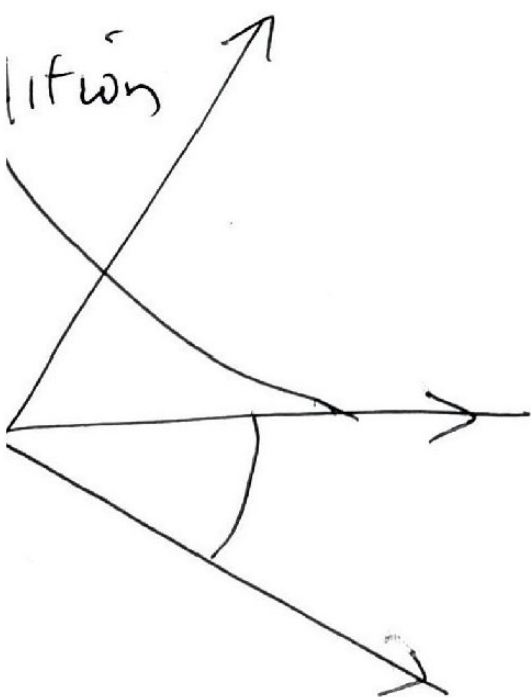

Moderation Process:

- The **Moderate** section starts with a **Moderate** button (a green box with a white checkmark and an empty box).
- Below this, there is a **No change** button (a green box with a white checkmark and an empty box).
- After the **No change** button, there is a **change** button (a green box with a white checkmark and an empty box).
- Below the **change** button, there are two rows, each containing a **Q number** and a **mark awarded** field. The rows are numbered 1 to 2, with marks awarded of 10 and 20 respectively.
- After the rows, there is a **Comment/query?** button (a green box with a white question mark and an empty box).
- Below the **Comment/query?** button, there are two buttons: **Fixed** (a green box with a white checkmark and an empty box) and **Not sure** (a green box with a white question mark and an empty box).

The diagram illustrates the Marking Process flowchart, which is divided into two main sections: a red section for marking and a green section for moderation.

Marking Process (Red Section):

- The process starts with a **Sub-total** column on the left, consisting of 15 empty boxes.
- A **Mark** button is located at the top right of the marking section.
- The flowchart shows a sequence of steps where a question number is entered into the **Q number** field, and the **mark awarded** is entered into the **mark awarded** field.
- After entering the mark, the user clicks the **Mark** button, which displays a checkmark and a box for the mark.
- The flowchart then shows a sequence of steps where the user enters the question number and the mark awarded, and then clicks the **Mark** button.
- Finally, the user clicks the **Mark** button, which displays a checkmark and a box for the mark.
- The process ends with a box labeled **Exams Office Use Only** and a QR code.

Moderation Process (Green Section):

- The process starts with a **Moderate** button at the top right.
- The flowchart shows a sequence of steps where the user enters the question number and the mark awarded, and then clicks the **Moderate** button.
- The flowchart then shows a sequence of steps where the user enters the question number and the mark awarded, and then clicks the **Moderate** button.
- Finally, the user clicks the **Moderate** button, which displays a checkmark and a box for the mark.
- The process ends with a box labeled **Comment/query?** and two buttons: **Fixed** and **Not sure**.

a)

Q3 1/2

b)

The diagram illustrates the Marking and Moderation process flow:

- Marking Process (Red):**
 - Sub-total:** A vertical column of boxes for recording sub-totals.
 - Mark:** A box with a red 'X' icon and a checkbox.
 - Q number / mark awarded:** A box divided into two sections for recording the question number and the mark awarded.
 - Exams Office Use Only:** A large box for additional marking information.
 - QR Code:** A QR code for document tracking.
- Moderation Process (Green):**
 - Moderate:** A box with a green checkmark icon and a checkbox.
 - No change:** A box with a green checkmark icon and a checkbox.
 - change:** A box with a green checkmark icon and a checkbox.
 - Q number / mark awarded:** A box divided into two sections for recording the question number and the mark awarded.
 - Comment/query?:** A large box for recording comments or queries.
 - Fixed:** A box with a green checkmark icon and a checkbox.
 - Not sure:** A box with a green question mark icon and a checkbox.

Q3 ^{2/2} Cont'd

d)

The diagram illustrates the Marking and Moderation process flow, divided into two main sections: Marking (red) and Moderation (green).

Marking Process (Red):

- Sub-total:** A vertical column of 15 empty boxes for recording sub-totals.
- Mark:** A red box with a 'Mark' label and a 'Q number' field.
- mark awarded:** A red box with a 'mark awarded' label and a 'mark awarded' field.
- Q number:** A red box with a 'Q number' label and a 'Q number' field.
- Exams Office Use Only:** A large red box with the text 'Exams Office Use Only' and a QR code.

Moderation Process (Green):

- Moderate:** A green box with a 'Moderate' label and a 'Q number' field.
- No change:** A green box with a 'No change' label and a 'Q number' field.
- change:** A green box with a 'change' label and a 'Q number' field.
- Comment/query?:** A green box with a 'Comment/query?' label and a large text area.
- Fixed:** A green box with a 'Fixed' label and a 'Q number' field.
- Not sure:** A green box with a 'Not sure' label and a 'Q number' field.

Flow:

- The Marking process starts with a 'Mark' box, which leads to a 'mark awarded' box. This is followed by a series of 'Q number' and 'mark awarded' boxes (16, 160; 17, 170; 18, 180; 19, 190; 20, 200).
- The Moderation process starts with a 'Moderate' box, which leads to a 'No change' box. This is followed by a 'change' box, which leads to a 'Comment/query?' box. The 'Comment/query?' box then leads to either a 'Fixed' box or a 'Not sure' box.
