PAGE TWO

The diagram illustrates the flow of a mark sheet. It starts with a 'Check' section (blue) containing a '?!' icon and a 'section' box. This leads to a 'merge summary' bar (blue) with the text 'This page skipped by X. Marked:[] Bad:[] Seen:[] Skipped:[X]'. Below this is a 'Not entered' status (grey) with a red 'X' icon. The flow then moves to a 'Mark' section (red) containing a 'section' box, a 'Q' icon, a 'number' box, and a 'mark awarded' box. This leads to a 'Sub-total' section (red) containing a 'Q' icon, a 'number' box, and a 'mark awarded' box. The flow ends with a 'Mark' section (red) containing a '✓' icon and a 'Mark' box. A 'merge summary' bar (red) at the bottom contains the text 'This page skipped by TDD. Marked:[] Bad:[] Seen:[] Skipped:[TDD]'. A QR code is located at the bottom right of the diagram.
